Cardholders' Terms and Conditions

Local Prepaid Card

For the purpose of these Terms and Conditions, the words 'we' and 'our' means Heritage Bank Limited (HBL). The words 'you' and 'your' means the individual purchaser or user of the Prepaid Card. To purchase or to use a Prepaid Card or to sign a purchase receipt of same or sign an application for this product constitutes the acceptance of the Terms and Conditions or any other terms and conditions contained on the purchase receipt or on the card itself.

Definition

HBL Prepaid Card is a plastic card with a magnetic strip, which is acquired as an alternative payment medium with minimum risk, and which does not incur nor pay interest.

Purchase and Usage

You can purchase a Prepaid Card by filling out and signing an application, which will be reviewed and approved/declined accordingly. One card per person is to be issued.

- Maximum total monthly load per card is BZ\$5,000.00
- Maximum card balance is \$2,500.00

You can deposit additional amounts to be added to the existing card balance, providing the balance does not exceed \$2,500.00 and total monthly load amount does not exceed \$5,000.00

You can access your funds from any HBL Automated Teller Machine (ATMs) or HBL Point of Sale (POS) machine countrywide.

You can set-up Ebanking access to view card transactions and balances via HBL Ebanking platform.

Personal Identification Number

The Personal Identification Number (PIN) is a 4-digit number of your selection made in a HBL office that is necessary to conduct ATM transactions using your prepaid card. It is important that only you have access to this number and that you keep it in a secure place. It is best to memorize your PIN since it is the equivalent to your signature ally. This is a means of authentication to the transaction conducted with your card. In case your PIN is lost or may be compromised, immediately contact your card provider.

Lost, Stolen or Damaged Cards

If your Cards and or PIN have been stolen, misplaced or damaged or your card or PIN information compromised, please immediately notify HBL, which will block your card from further use. You will not be held responsible for transactions conducted on the card after such report is filed with HBL. However, if you do not make this report it will be your responsibility for usage of the card.

Appropriate Use

All transactions done with your Prepaid Card and/or PIN are equivalent to your signature and are the means of identification for the use of the card. Therefore, it is understood that the transactions were made by you or on your behalf, unless HBL is notified of a lost/stolen card prior to the transactions.

You must also take into account the following:

If you do not wish to cancel the card, you must maintain a minimum balance of BZ\$5.00 in the account and you can reload additional funds into the same card.

When a balance of BZ\$0.00 or less is in your Prepaid Card, it may be deactivated from further use. However, you may purchase another Prepaid Card at a future date.
